Joshua Watjen

Educational Leader

Professional Summary

Dedicated and results-driven education professional with 18 years of experience in teaching, leadership, and school administration. Proven success in fostering a positive school culture, implementing data-driven decision-making, and supporting student and staff success. Experienced in instructional technology, athletic program management, and administrative leadership as an Athletic Director and Principal Intern.

Professional Experience

Castle North Middle School – Newburgh, IN

Athletic Director & Sixth Grade Computer Science (2010–Present)

- Manage and oversee all middle school athletic programs, including scheduling, budgeting, and compliance, supporting approximately 300 student-athletes annually.
- Coordinated transportation, safety protocols, and event logistics for all athletic programs, ensuring seamless execution of events.
- Created and enforced student-athlete eligibility policies, ensuring academic accountability and behavioral expectations.
- Assisted in hiring and evaluating staff, participating in interview committees, and supporting professional development efforts for teachers.
- Acting principal's designee in the absence of the principal, other admin, overseeing student discipline, behavior interventions, crisis management, and other administrative responsibilities to ensure smooth daily operations
- Served as the lead technology coordinator, training teachers on Google Suite, Chromebook integration, and digital learning tools.
- Lead multiple training sessions on educational technology
- Managed school-wide student device deployment, cyber-security protocols, and troubleshooting, ensuring seamless tech integration.
- Support school-wide initiatives as a member of the School Safety Committee and School Improvement Team.

John H. Castle Elementary – Newburgh, IN

Sixth Grade Teacher & Computer Coordinator (2007–2010)

- Designed and implemented engaging lesson plans for sixth-grade students, fostering academic growth and student success.
- Served as the computer coordinator, managing and assisting with school-wide technology integration and troubleshooting IT concerns.
